4:26 PM **Karen**: Finish yet? Can I see it, huh? Huh?
me: I'll send what I've got, still finishing last paragraph or two
Karen: Times mag section comes out Friday afternoon.
4:31 PM It's brilliant! Brilliant, I say!
me: very well
about to turn it in, just need to think of something clever for the end
4:32 PM **Karen**: Your getting back to dating was good. Aren't you going to link to your funny arguments posted in True/Slant, though?
4:33 PM **me**: yeah
haven't put links in yet
Karen: I would go ahead and insert those links -- Hogan can take them out if it's against their policy -- but they're so FUNNY in themselves.
4:37 PM Are you also going to include some of Johnson's quotes that you sent Hogan in your original piece?
4:38 PM **me**: probably won't have room, there's a lot to cover, we'll see if he wants me to throw some in
4:39 PM **Karen**: Go back and look at his email to you, he asked for them I think?
me: he suggested that I could work them in if I wanted
didn't seem to be that interested in the quotes themselves
4:40 PM he'll tell me if he really wants them
Karen: You're right -- and he didn't want you to go off in different directions, so I think you're good to go!

10 minutes

4:51 PM **Karen**: Don't forget to paste in that bio paragraph you attached to your previous submission. Looked good!
4:54 PM **me**: done and done
